Awards: INTERNATIONAL SCHOOL AWARD

Surmount International School is honored with the prestigious accreditation of International school award by British Council, London for the period 2019-22 for 'Outstanding Development of the International Dimension in the Curriculum'.

This achievement was a result of activities and collaborations with renowned schools from countries like U.S.A, Germany, Italy, U.S.A, UK, Japan, Russia, Egypt, Cyprus, Nepal, and Sri-Lanka amongst others. Our children exchanged culture, knowledge, academics, technology giving them an exposure like never before. With activities covering universally appealing themes like mental health, food preservation, disaster management, man in the space, etc. This project proved to be a landmark in taking us miles ahead on the path of international curriculum and education, making us nothing less than a pioneer in global learning for the whole region.

COLLABORATION WITH JDO FOUNDATION, U.S.A

We proudly became the fourth school of the country to collaborate with JDO Foundation, U.S.A, which aims at global classroom collaboration empowering young learners to become talented and accomplished digital citizens. Their mission is to have these learning experiences transcend geographic, socioeconomic, and religious parameters and we have joined hands to fulfill this feat which is also going to be a transforming experience for our students.

The members of the Council work together as a team to uphold the rules and regulations of the school and encourage students to understand the fact that discipline is prerequisite for a civilized life. They lead by example and observe and implement all the fundamental principles diligently and sincerely. Through their work as members they learn the valuable lesson that with authority comes responsibilities and its associated challenges.

Alumni association

Along with the Student Council we have an outstanding Alumni Association that acts as an inspiration for our current students and helps guide them to achieve their goals. In a very few years of the introduction of our +2 programme, we have students studying in prestigious institutes like IITs and NITs. We are sure that in the upcoming years we will see more exceptional achievers becoming part of our alumni network.
